often competing needs. Starting Sunday, March 14th, we will hold one service, at 9:00, rather than two split worship services. We are aware that some may need to maintain distance and masks for personal health concerns, and we will have seating arrangements in the part of the auditorium to accommodate those needs. In order to accommodate all worshippers in our auditorium, social distanced seating will not be maintained in all pews. The elders suggest that masks be worn while in the building, but this remains a personal choice. We will not have an 11:00 service beginning Sunday, March 14th, and if things go well, that will be the temporary schedule for a while. However, we will have classes for all ages immediately following the 9:00 morning service, basically 10 to 11. We want everyone to worship together, but we are holding back on spending 3 hours together for the time being. Our hope is that we return to the old normal schedule for the beginning of the Summer quarter of auditorium. We will continue our practices of social distancing for all services at the building. Live stream link for the service is above for those not able to attend in person. Please contact the elders with any questions (if you are a visitor, use the "Contact Us" link above).
