Sunday AM Worship 1 (w/Live Stream) 9:00am - 10:00am https://youtu.be/2wJJVXtrKSQ We are thankful to God for His providential care during this difficult time. The restrictions for large gatherings continue to change, for the better. For our scheduled services on Sunday we can accommodate about 75 people in the auditorium for each service, while maintaining social distancing recommended for worship assemblies under the Open Texas Guidelines. This will be a mixture of worship and Bible study. We will begin with several songs, some scripture reading and a prayer. After that, there will be a lesson taught from the scriptures. We won't have separate classes during this time for kids or for other adults; we will only be meeting in the auditorium. Provisions have been made to allow some worshippers to sit and participate in more isolated areas. Numerous additional steps have been taken to ensure the safety of all our beloved brethren at the building. (Our members have been informed of these. If you are visiting and wish to know more, please click "Contact Us" on the menu bar above.) We have a special opportunity to honor God by coming together in worship, while at the same time showing loving care and concern for every member and visitor. We will continue to have the live stream links available each week. Those links will be posted above this message on Saturday, for Sunday services and Wednesday morning for that evening's service. building, but this remains a personal choice. We will not have an 11:00 service beginning Sunday, March 14, and if things go well, that will be the temporary schedule for a while. However, we will have classes for all ages immediately following the 9:00 morning service, basically 10 to 11. We want everyone to worship together, but we are holding back on spending 3 hours together for the time being. Our hope is that we return to the old normal schedule for the beginning of the Summer quarter of classes, in June, but that could change due if external conditions change.
