The restrictions for large gatherings have been relaxed a bit and we have updated the guidelines for our scheduled services on Sunday accordingly. We are allowed to have 75 people in the auditorium for each service, so we will continue to have a 9AM and an 11AM service which are largely the same. Visitors are welcome at either service. Members have been asked to give preference to a service based on last name. Both Sunday services will have the same sermon and the same Lord's supper introduction. Song leaders and prayer leaders will be different. Provisions have been made to allow some worshippers to sit and participate in more isolated areas. Numerous additional steps have been taken to ensure the safety of all our beloved brethren at the building.
